POLICY MATTER OF MENTOR -MENTEE MECHANISM IN THE INSTITUTION

Wisdom is not a product of schooling but of the lifelong attempt to acquire it. In addition to the remedial classes, extra tutorials for slow learners, college also adopted and practicing mentorship mechanism to help students who are under stress and academically backward. The policy of the college with regard to mentorship of the college extended to all the students. Total number of students is divided against the number of mentors. With the efforts of college IQAC designed the format of preliminary information which highlights about the students profile, special interest towards arts and cultural activities, sports, social responsibilities, aspiration after graduation etc. This has helped the mentor to guide students very effectively. This practice has helped to come forward and share their stress related issues comfortably. Every mentor is entrusted to guide, help and provide moral support to complete the course curriculum. Impact of this is resulted in getting good academic track record of the institution in the vicinity of Lingasugur taulk the sample copy of tutor- ward- mentoring is uploaded here with.
